

Intelligence™

Ford Pro™ E-Telematics

With electric vehicles,
knowledge really is power.
Ford Pro™ E-Telematics
gives you more.

Know your electric vehicles' state of charge at all times. Purchasing a Ford electric vehicle gives you three years of complimentary access to Ford Pro™ E-Telematics with:

- ✓ Home charging management tools
- ✓ Automated driver reimbursement reporting
- ✓ Ford Pro™ Public Charge Management and Cloud-Connected Navigation

Easy access to BlueOval™ Charge Network is also complimentary for three years.

*Available on Ford vehicles with embedded modem. Requires modem activation and agreement to digital Terms and Conditions. Complimentary access will exist for the life of the vehicle or the life of the product. Connected service and features, and access to vehicle data, depend on subscription and compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

Ford Pro™ E-Telematics

Battery Electric Vehicle (BEV) Features and Services

We're providing a suite of complimentary services to ensure you have the information and support you need to make a smooth transition to BEVs. When you purchase a Ford BEV, complimentary E-Telematics provides the full suite of Ford Pro™ Telematics features, giving you access to the data you need to optimize your fleet operations.

E-Telematics Features

- Continuously updated range and state-of-charge vehicle insights (Live Map and Vehicles)
- Fleet charge event monitoring
- Alerts
 - Not Plugged In
 - Low Range
- Departure Preconditioning

Home Charge Management

- Automated reimbursement reporting delivered to drivers and Fleet Managers
- Connected charger setup
- Driver charge management tools
- Potential misuse safeguards

Public Charge Management

- In-vehicle charging app automatically connects to public charge outlets
- Centralized and consolidated monthly fleet billing
- Features included with E-Telematics:
 - Public charge insights and logs
 - Potential misuse safeguards

Three years' access to Ford Pro E-Telematics and the BlueOval™ Charge Network is complimentary with the purchase of a Ford BEV.

Eligible vehicles receive a complimentary 3-year trial of E-Telematics services that begins on the new vehicle warranty start date. Requires modem activation. Terms and conditions apply. Telematics service and features, and access to vehicle data, depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. After the 3-year trial, annual service contract is required for E-Telematics service. Call 833-811-3673 to activate E-Telematics service.
