FORD TELEMATICS™ FOR LAW ENFORCEMENT

Pursuit-Rated, Hybrid-Powered, Cloud-Connected. Welcome to the Future of Law Enforcement.

Ford is proud to offer a standard built-in Ford modem and complimentary two-year Ford Telematics subscription* on every 2019 Police Responder® Hybrid Sedan and 2020 Police Interceptor® Utility. Now law enforcement can unlock their vehicles in a way that takes operational effectiveness to the next level.

*Available on 2019 Police Responder® Hybrid Sedan and 2020 Police Interceptor® Utility. Two-year subscription begins on the warranty start date. Subscription features may be limited. Factors causing this limitation may include, but are not limited to, issues related to cellular coverage, carrier outages and carrier network service interruptions. Complimentary service ends after two years.

Factory-Installed or Existing Vehicle Retrofits, Ford Helps You to Protect and Serve

Ford-engineered and integrated telematics modem technology comes standard on all 2019 Police Responder® Hybrid Sedans and 2020 Police Interceptor® Utilities. A Ford-engineered Plug-In Device is also available to retrofit most recent Ford vehicles already in service.

Telematics Software That Does the Hard Work for You

Ford Telematics is your gateway to our wide range of solutions. This simple, yet powerful tool delivers manufacturer-grade information, insights and solutions right to your fingertips. The easy-to-use interface enables you to manage your fleet in real-time and quickly assess where you need to take action. It's software that helps you control your fleet.

Key Benefits:

Improve Asset Utilization

Keep track of the vehicles in your fleet with GPS tracking and geofencing capabilities

Maximize Your Vehicle Availability

Receive proactive notifications, Vehicle Health Alerts and service reminders, allowing you to plan ahead

Optimize Your Running Costs

Monitor the fuel consumption of all your vehicles and not only identify areas of waste, but what the causes are, too

Protect Your Fleet

Receive a range of notifications that can help you act quickly, protecting your staff, your vehicles and your operation

Thinking About the Environment

Information is provided that can help you fully utilize the benefits of hybrid vehicles in your fleet

Improve Driver Behavior

Increase efficiency and improve compliance when you receive a range of valuable insights into driver performance, informing you of coaching opportunities

About Ford Commercial Solutions

Ford Commercial Solutions gives law enforcement focused and relevant fleet and telematics tools they need to optimize, adapt and become more operationally effective. Built on the strength of our commercial vehicle and business experience, we blend Ford engineering expertise and deep vehicle knowledge with a hands-on understanding of the unique, real-world challenges law enforcement face every day to give you a partner you can depend on.

We deliver purpose-built solutions so you can commit more time and attention to operations. Our telematics-based fleet solutions are built on a platform that is integrated with the Ford ecosystem and is designed to evolve as your needs do.
