

CROWN NORTH AMERICA

Proudly announcing the opening of our new Chicago Modification Center, located at 13535 South Torrence Avenue, Building Q, Chicago, IL 60633-2164. Offering ship-through for upfitting in support of the Ford Police Interceptor Sedan and Utility vehicles.

Crown North America, industry-leading vehicle integration specialists, now upfitting Ford's next generation of law enforcement vehicles near Ford's Chicago assembly plant.

Here is a list of some of the products/services Crown has to offer for the Ford Interceptor Sedan and Utility:

- Push Bumpers
- Partitions
- Light Bars (partial install with wiring prep or complete installation)
- Deck Lights
- Grille Lights
- Visor Lights
- Communication Equipment (wiring and installation)
- Dog Cages (K-9)
- Consoles
- Computer Mounts
- License Plate Readers
- Rear Cameras
- Storage Boxes
- Graphics Installation – General and Agency-Specific Decals and Graphics

For more information about Crown North America's capabilities at our new Chicago Modification Center, call toll free: **1-800-321-4934, ext. 3425** or visit our website at **www.Crown-NA.com**.
