Give your budget a boost.

Public agencies in your area are discovering that Municipal Lease Purchase Financing is today's answer to acquiring equipment within limited budget confines – without major cash outlays, long-term debt obligations or, in most cases, voter approval.

Here are just a few testimonials and what they have to say about the Ford Credit Municipal Lease Purchase Financing program.

Our Municipal Finance team understands the unique requirements of state and local government financing. Contact one of our experienced professionals to help you make the most of your annual budget call **800-241-4199**, email fcmuni@ford.com or check us out at fordcredit.com/municipal-finance.

Leasing police cruisers is a very effective and fiscally responsible way to keep a reliable fleet rotation in a small town police department where the operating budget must remain reasonable. Ford Credit does all the work and makes things very easy.

Dealing with business is usually just that—business. What I like the most about dealing with Ford Credit was the friendly yet professional manner in which work was completed.
