Where to go for covered repairs:

We require that You return to Your Selling Dealer to obtain repairs or services to your Vehicle. However if the Selling Dealer is closed or Your Vehicle needs Emergency Service or Repair, the Vehicle is inoperable and all Lincoln or Ford dealerships within a 25 mile radius are closed, You may obtain repairs or services to the Vehicle under this Limited Warranty from any Ford Motor Company franchised dealership or other repair or service facility in the United States or Canada. If the Vehicle should need Emergency Service or Repair in Mexico, We require that You return to a Lincoln or Ford dealership for repairs or services. You may go to another repair or service facility if the vehicle is inoperable and there is no Lincoln or Ford dealership within a 25 mile radius. Call the Lincoln Concierge at 800 521-4140 if You have any questions concerning service or coverage available under this Agreement or to find the nearest Lincoln or Ford dealership.

To request reimbursement, You must provide a copy of the repair order and proof of payment to Your Selling Dealer or contact 1-800-321-7790. You have one year from the repair order open date or payment receipt date to request Your refund.

Repairs. All warranty repairs of covered components MUST be made with new or remanufactured parts or other new or remanufactured parts authorized by Ford.

Care of the vehicle. Your vehicle must be properly operated and maintained in accordance with the Scheduled Maintenance Services in the Service Guide of the Owner's Manual for the vehicle. Proof of Scheduled Maintenance Services includes maintenance records that show mileage, date of maintenance service, VIN, and the maintenance that was performed. Scheduled Maintenance Service requires periodic service checks based on mileage intervals and the make and model of your vehicle. Please review the Owner's Guide for your Scheduled Maintenance Service requirements that are provided at the time of vehicle purchase. If you perform your own Scheduled Maintenance Services, you must maintain a log including date, mileage, and description of each maintenance service and provide corresponding receipts for purchases of parts and fluids. Failure to perform Scheduled Maintenance as specified in the Service Guide will invalidate limited warranty coverage on parts affected by proper operation or by lack of maintenance.
